MARSTON'S®

Foreword

Thank you for registering for the 2019 GMCL20 tournaments.

The addition of a lower competition has been well received and has brought in a few second teams as well. The new competition not only gives a second chance of silverware but also the chance for one of finalist clubs the chance to host a great finals day which for those with the facilities can be a real money spinner in the summer.

Each club has been contacted for their home matchday, so we hope that the schedule is fully up to date with your requirements.

We have created the divisions based on best geography, we cannot reduce the midweek travel to a perfect minimum because it depends on the entrants and, by building the divisions on geography we cannot factor in perceived strength of teams based on past performance so some will say one division is stronger than another. Any suggestions to resolve this for future competitions other than just basing on past performance will be accepted with thanks.

As it is there will be two from each group going through to the Quarter-Finals Day, to be drawn with the group winners taking a home tie against a team from another group and the four quarter final winners will take part in the finals day with the venue being determined by a draw amongst the finalist teams.

Full match rules will be posted on the website shortly.

Match Dates Premier Competition

The Premier Competition runs from 6 May to 21 June. It was intended that there would be a spare day to replay any game that is not started but the numbers of entrants doesn't allow for that so clubs will have to agree revised dates within that period.

The Quarter Finals for the Premier competition will take place in the week up to 28 June, no games can be played after that, the finals day will take place on July 7. The winners of the GMCL20 Premier competition will go forward to the National 2019 competition.

Match Dates Secondary Competition

The Secondary Competition runs from 28 May to 12 July. It was intended that there would be a spare day to replay any game that is not started but the numbers of entrants doesn't allow for that so clubs will have to agree revised dates within that period.

The Quarter Finals for the Secondary competition will take place in the week up to 19 July, no games can be played after that, the finals day will take place on 28 July.

This is a tough competition and excitement runs high but let us all show respect to our officials and opponents and do the GMCL competition proud. Have a great season.

Martin Kay
